

NEW HOMESTEAD EXEMPTION APPLICATION RULES

Beginning September 1, 2011, individuals seeking to apply for a Residence Homestead Exemption will need to comply with a new application process. Applicants must now provide a copy of their valid Texas driver's license or Texas state-issued identification card and a copy of their vehicle registration receipt with their application. Those who do not own a vehicle will be required to submit a notarized affidavit certifying that fact and provide a copy of a current bill received from a utility company. The address on all of these documents must be the same as the address for the property which you are applying. For more information, call or come by:
